About Us

Speed Line LLC, founded in 2010 in Dubai and expanded to Oman in 2011, is a leading logistics and freight forwarding provider across the GCC and Middle East.

With over a decade of experience, we offer reliable, efficient, and customer-focused services including Door-to-Door Delivery, Cross-Border Trucking, Seafreight, Airfreight, Trans-shipment, Warehousing, Project Cargo, and Heavy Lift solutions.

Core Competency

- Full Truck Load (**FTL**) and Less Than Truck Load (**LTL**) transportation solutions across GCC regions / Levant countries.
- Comprehensive **Air** and **Sea** freight forwarding solutions across global trade lanes.
- **Import** and **Export** handling through all major international Airports and Seaports in the GCC.
- Daily consolidation services to all destinations within the UAE and across GCC countries
- Express cargo collection and last-mile distribution within the UAE, Oman & KSA.
- **PDO-approved trailers** and professionally licensed drivers for time-sensitive deliveries to Petroleum Development Oman (**) sites.**
- Fleet equipped with **Oman Civil Defense permits** for the cross-border movement of **chemical** and **hazardous cargo** from UAE to Oman.
- Specialized handling and local transportation of **dangerous goods** and **chemical cargo** within the UAE, compliant with **HAZMAT** regulations.
- **Bonded clearance** for export movements from Dubai-based free zones, including FTL cargo operations
- Strong **Global Agent Network** ensuring seamless door-to-door cargo movements across the Globe.
- Expertise in handling full container load (**FCL**), Air Consolidation, Express Airfreight and (**LCL**) shipments.
- Cost-effective **multimodal transport solutions** integrating Air, Sea, Land, Cross Trade movements.
- Compliance with **IATA**, **IMO**, and other **International Shipping Standards**.
- Project cargo management for oversized and **heavy-lift** shipments
- Specialized team for handling **Rig movements** within UAE & Oman.
- **Warehousing** & Distribution solutions within UAE, Oman, and Kingdom of Saudi Arabia.
- **End to End Third party logistics** solutions tailored to diverse Industry needs.

Our Services

Land Transportation

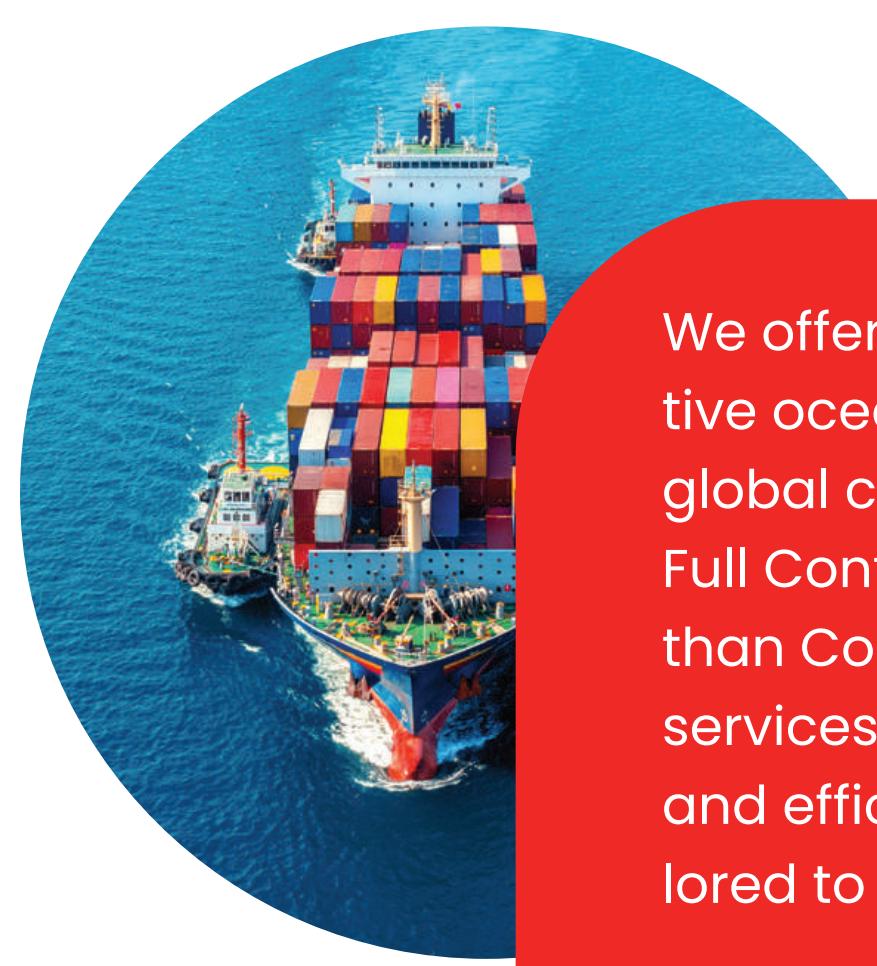

We offer reliable and efficient road freight solutions across the GCC, including FTL, LTL, bonded trucking, and cross-border services. Our expert team ensures safe, on-time delivery for all cargo types, from regular shipments to complex project loads.

Air Freight

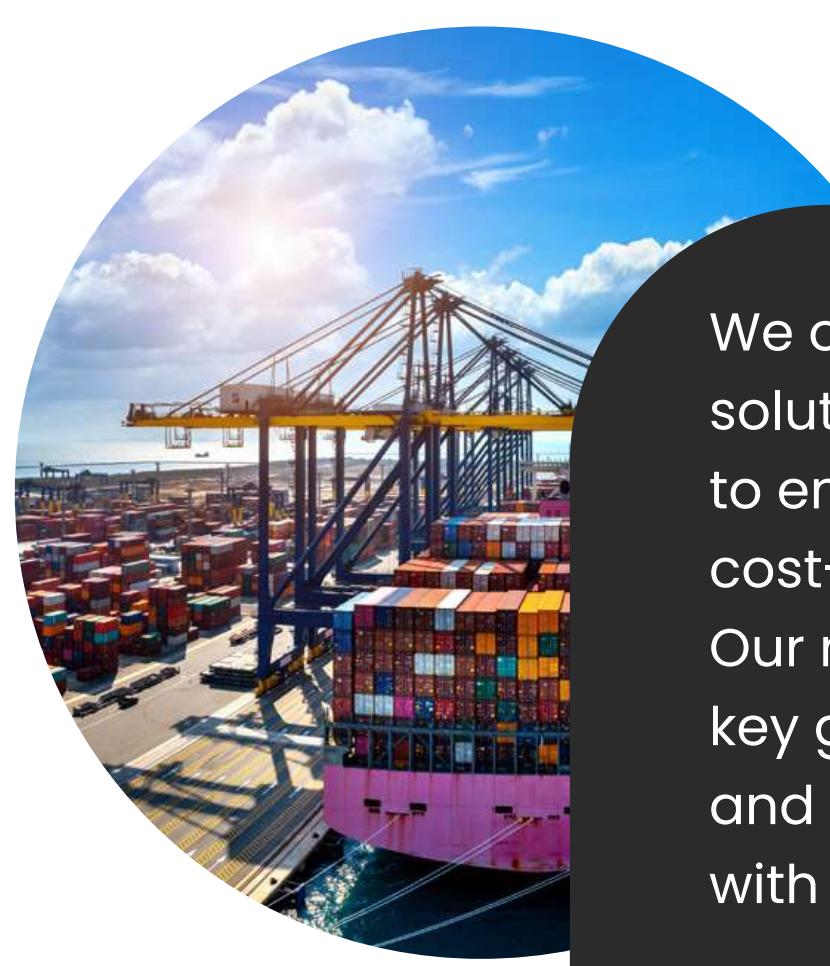

Our Air Freight services offer fast, secure, and flexible delivery solutions for time-sensitive shipments. With a global network and trusted airline partners, we ensure swift transit, real-time tracking, and efficient customs handling.

Ocean Freight

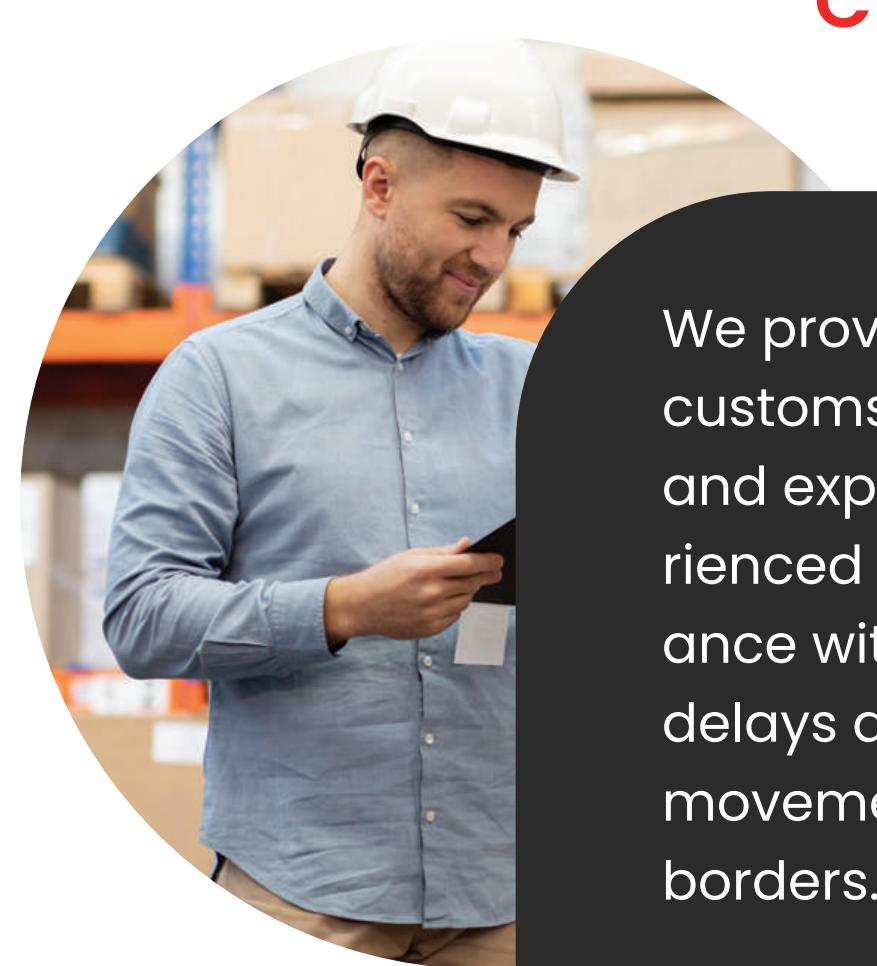

We offer reliable and cost-effective ocean freight solutions for global cargo movement. From Full Container Load (FCL) to Less than Container Load (LCL), our services ensure secure, timely, and efficient sea transport tailored to your shipping needs.

Sea/Air/Land Trans-shipment

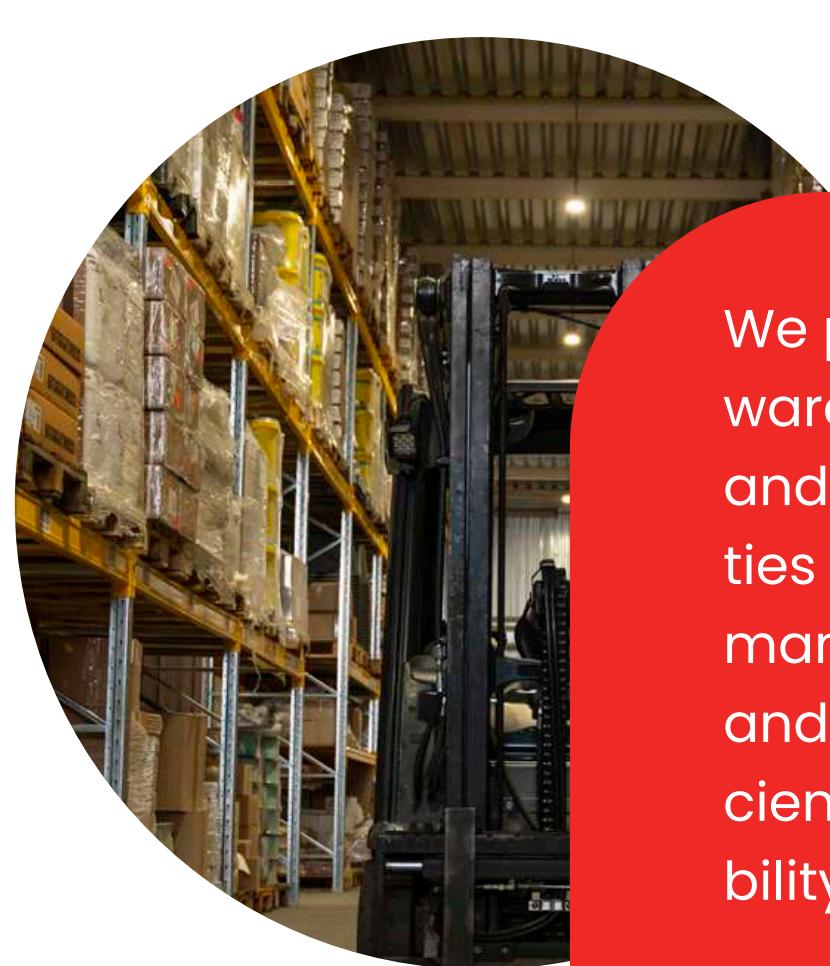

We offer seamless trans-shipment solutions across sea, air, and land to ensure fast, efficient, and cost-effective cargo movement. Our multimodal service connects key global routes, minimizes delays, and adapts to your delivery needs with precision and reliability.

Customs Clearance / Bonded Trucking

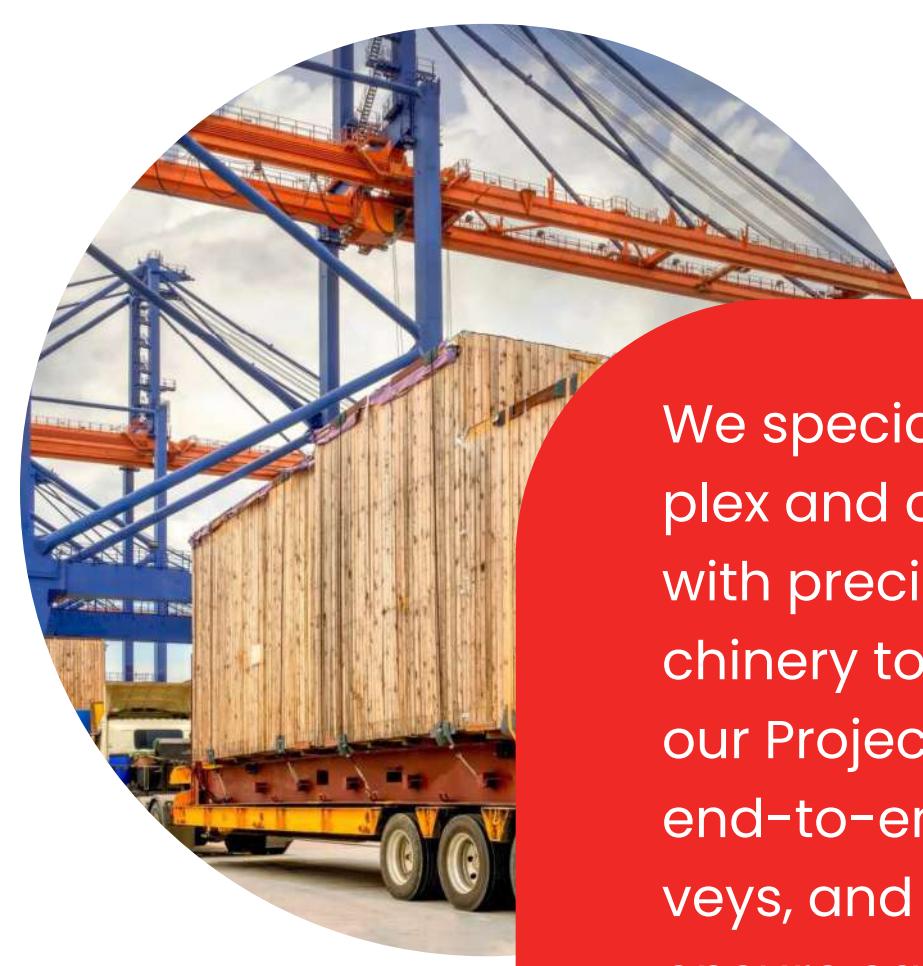

We provide fast and hassle-free customs clearance for import and export shipments. Our experienced team ensures full compliance with regulations, minimizing delays and streamlining the movement of your goods across borders.

Warehouse Solutions

We provide secure and scalable warehouse solutions for short- and long-term storage. Our facilities are equipped for inventory management, order processing, and distribution—ensuring efficient handling and real-time visibility of your goods.

Project Cargo

We specialize in handling complex and oversized shipments with precision. From heavy machinery to industrial equipment, our Project Cargo services offer end-to-end planning, route surveys, and secure transport to ensure safe and timely delivery.

End to End Third-Party Logistics Services

We offer end-to-end 3PL and contract logistics solutions tailored to your supply chain needs. From warehousing and inventory management to distribution and fulfillment, we help streamline operations, reduce costs, and boost efficiency for your business.
